Independence Bank Partners with American Red Cross for Highly Successful Community Blood Drive

San Juan Capistrano, CA, September 20, 2011 – [Independence Bank](#) recently partnered with [American Red Cross of Orange County](#), to provide coordination, sponsorship, promotion, and space for a community blood drive on September 9, 2011. Twenty (20) units of life-saving blood were collected from twenty-six (26) donors. Area donors came to the Independence Bank San Juan Capistrano regional office, to provide life-saving blood at this daylong event. “Each donated unit of blood can save up to three lives! On behalf of the American Red Cross, I would like to thank everyone at Independence Bank for their support. Your team’s efforts made it possible for people to have another chance at happier and healthier lives,” said Jessie Salmon, of American Red Cross of Orange County’s Biomedical Services. Fellow community business sponsors for this event also included Mimi’s Café, Laugh Factory, McCool Flowers, and Boys & Girls Club of Capistrano Valley.

[Independence Bank](#), headquartered in Newport Beach, CA with Regional Offices in San Juan Capistrano, Fountain Valley, and Tustin believes in strong and vibrant local communities and strives to reinvest in the communities we serve. The Bank gives its support to many Orange County community organizations and charities as both an active member and financial contributor.
